Joe Johnson Equipment (JJE) Expands Equipment Offering As New Distributor of Labrie Environmental Group Products in Colorado.

Effective March 28th, 2023, Joe Johnson Equipment will provide customers in the state of Colorado with sales, service, and parts for Labrie™, Leach™, and Wittke™ product lines.

JJE has been a Labrie distributor across North America for more than 20 years. Labrie Environmental Group and Joe Johnson Equipment share the same dedication to bringing the best products, service, and support to customers in Colorado.

"We are proud to demonstrate our commitment to our customers in the waste and recycling industries and to be able to support the expansion of our footprint in Colorado. This strategic move will not only strengthen our market position, but also enable us to provide our customers with innovative solutions to meet their evolving needs and sustainability objectives."

- Jeff Johnson, Vice President, Joe Johnson Equipment
