

# YOU CAN'T OUTRUN A BEAR

Go green without compromising power. The new **Electric Broom Bear®** is built on 100 years of Elgin quality and our commitment to performance. So you can eliminate emissions, reduce noise, cut maintenance costs and still complete a day's work on one charge. The powerful battery and efficient sweeping system mean you'll quit before it does.

**100% ELECTRIC**  
**Broom Bear®**
